

Stay One-Step Ahead of Parking Tickets

Check-in with **ParkPatrol** for parking timer and map, plus be alerted to the presence of parking enforcement reported around your car. A new community is forming here & now. You're invited to be a part of it.

Get the **FREE ParkPatrol** on your phone at www.parkpatrolapp.com. Available for Android and iPhone.

"lets users warn each other when parking officers are spotted lurking near their cars."
- Reuters

FREE FEATURES (Pro Features Available)

- Check-in your parked car (in 2 clicks) for reminders where & when you parked (and where you last parked).
- Receive instant notifications of parking officers reported near your checked-in car.
- Report parking officers sighted with 1 quick click.
- Post to your Facebook wall from within ParkPatrol.
- Run a community building campaign with Email, Flyers and Posters.
- Enjoy Retina Display quality artwork.
